Submission of Toilet Block drawings and specifications for National War Memorial (Pukeahu) Park

Dear Geoff,

Memorial Park Alliance (MPA) are seeking certification of the attached documentation which relates to the inclusion of a toilet block. The inclusion of a toilet block into the Park scope of works has been approved by the Ministry for Culture and Heritage and will be located immediately west of the Tangata Whenua Gardens (western).

This letter should be included as an addendum to the original documentation submitted to Wellington City Council (WCC) on 10 January 2014, and subsequently certified by WCC dated 3 March 2014.

As required under Part 2 (Conditions 3 to 7) of the National War Memorial Park (Pukeahu) Empowering Act 2012 (the Act), the MPA provide the following documentation to WCC for certification under section 24 of the Act.

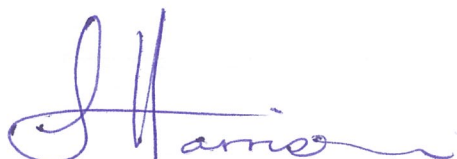

The table below identifies the condition number and the impact this additional toilet block documentation has on the documentation already certified by WCC:

Condition Number 04	Attachment	Commentary
(i) Design Statement	Not Applicable	Under the heading 'Park Framework' the framework of Park spaces and circulation routes is listed With MCH formally approving the inclusion of a toilet block into the Park scope, "a toilet block" now forms part of this framework
(ii) Location and Context Plan	Appendix A	Drawing No. WALA 002 has been updated to include the toilet block
(iii) Existing survey	Not Applicable	No changes noted

(iv) Levels and Finishes Plan	Not Applicable	No changes noted
(v) Cut and Fill Plan	Not Applicable	No changes noted
(vi) General Arrangements Plan	Appendix B	Drawing No. MP-11-90100 has updated to include the toilet block
(vii) A 'Crime Prevention Through Environmental Design' Assessment	Appendix C	A supplement report was prepared that assessed the inclusion of a toilet block The supplement report and MPA's response are included
(viii) Traffic Management and Circulation Plan	Not Applicable	No changes noted
(ix) Services Plan, including underground services and infrastructure	Appendix D	Drawing No. MP-05-250 reissued to show the dry services Drawing No. MP-07-160 issued to show waste water Drawing No. MP-06-260 issued to show storm water Drawing No. MP-05-270 issued to show water supply
(x) Plans, section and 3D representation of built components (shelters)	Appendix E	Exeloo supplied 'Building Consent Information' contains plans, sections and 3D representation of built components Drawing No. MP-12-315 issued to show the toilet block's general arrangement Drawing No. MP-12-316 issued to show the foundation & retaining wall details
(xi) Plan, section and details indicating integration with tunnel portals	Not Applicable	No changes noted
(xii) Plan and section indicating integration of the Australian Memorial	Not Applicable	No changes noted
(xiii) Interpretation and Signage Plan	Not Applicable	No changes noted
(xiv) Furniture Design/Selection and Plan	Not Applicable	No changes noted
(xv) Planting Selection and Plan	Not Applicable	No changes noted

(xvi) Lighting Selection and Plan	Not Applicable	No changes noted
(xvii) Typical landscape sections	Not Applicable	No changes noted
(xviii) Typical landscape details	Not Applicable	No changes noted
(xix) Outline Specification	Appendix E	Exeloo supplied 'Building Consent Information' contains plans, sections and 3D representation of built components
All documents are consistent with Park design principles identified in in Schedule Part 3.	The design has been undertaken to ensure design principles are satisfied.	

Yours sincerely

Jason Harrison

Memorial Park Alliance - Park Manager
