

Budget 2022

New Zealand Screen Production Grant

Overview

Budget 2022 makes available **\$60 million** for the *New Zealand Screen Production Grant – New Zealand*, to meet increased demand from eligible New Zealand productions.

Outcomes

- To build the sustainability, scale and critical mass of the domestic film industry and support the development of New Zealand creatives
- To provide cultural benefits to New Zealand by supporting the creation of New Zealand content and stories.

Support includes:

- **\$60 million** for one year for the *New Zealand Screen Production Grant – New Zealand* to promote industry development and cultural benefits for New Zealand.
